

*“Data is not information,  
information is not knowledge,  
knowledge is not understanding,  
understanding is not wisdom”*

**-Clifford Stoll**

IPP Services, Training and Research Pvt. Ltd. is a holistic research company with more than 30 years of industry experience and sound domain knowledge. The company is conducting its second, multi-client research study based on primary research in 75 cities, towns, and clusters across India to forecast trends of the Indian printing, publishing and packaging industries from 2011 to 2016.

The research study comprises 30 modules that provide in-depth analysis and insight of the changes taking place in the complex and dynamic market.
